Minor in AQUATICS

This minor will develop the student’s knowledge of water safety and aquatic facility management. Students can also take electives in small craft safety, scuba operations, and exercise and fitness. The aquatics minor curriculum utilizes nationally recognized certification programs to train students in each area and equip students for employment in the field of aquatics in such diverse areas as fitness clubs, educational institutions, YMCA, YWCA, rehabilitation centers, community centers and park and recreation departments.

Curriculum:

Required Courses:

- PHED 393 Water Safety Instructor
- PHED 394 Lifeguard Training
- RCLS 340 Aquatic Facility Management
- RCLS 350 Recreation Practicum

Electives:

- PHED 125 Scuba Diving
- PHED 125 Swim Conditioning
- PHED 125 Aqua Aerobics
